THE WORLD IS YOUR PALETTE

A spectacular array of diverse and exotic destinations, the world is a palette of colours, brought together by the ships of Oceania Cruises in a collection of brilliantly crafted itineraries. As our ships are comfortably mid-size, they can call on a unique blend of destinations, from iconic cities to charming boutique ports, presenting each in its very best light. As you travel to the next vibrant port of call, relax on board and savour the finest cuisine at sea, inspired by the renowned Master Chef Jacques Pépin.

MASTERFUL DESIGN

From the luxurious furnishings of *Regatta*, *Insignia* and *Nautica* to the Grand Staircase adorned in Lalique crystal on *Marina* and *Riviera*, the onboard ambiance exudes style and artistry. When designing *Marina* and *Riviera*, the founders of Oceania Cruises knew that the art collection on board must do justice to the artful elegance of the ships. Thus, around any given corner you can find a brilliant work by Picasso or a treasure from an exciting new artist. From the itineraries to the cuisine to the ships themselves, a voyage with Oceania Cruises is truly a masterpiece.
